

The Socialization of Meritocracy and Market Justice Preferences at School

Back Matter

Supplementary Material

English translation

It is just that in Chile people who can pay have a better education for their children

It is just that in Chile people with higher incomes can have better pensions than people with low incomes

It is just that in Chile people with higher incomes can access better health services than people with low incomes

Original Spanish

Es justo que en Chile las personas que puedan pagar tengan una mejor educación para sus hijos.

Es justo que en Chile las personas con mayores ingresos puedan tener mejores pensiones que las personas de ingresos más bajos

Es justo que en Chile las personas con mayores ingresos puedan acceder a una mejor atención de salud que las personas con ingresos más bajos
